## **American Carillon Music Editions**

**[www.carillon-music.com](http://www.carillon-music.com) or**

**[www.AmericanCarillonMusicEditions.com](http://www.AmericanCarillonMusicEditions.com)**

The 2009 American Carillon Music Editions Catalog of new offerings is now ready for sale. This year's scores provide a balanced offering of original compositions, arrangements, and duets.

### **Original Compositions**

We are pleased to feature two John Courter pieces, a whimsical rondo in Lydian mode, Rondo Lidico, and a majestic Intrada col Aria; three Geoffrey Cook scores, Old Friends, a ballad which incorporates the tune "auld lang syne", Pantheon, described as an overture for carillon, and The Royal Measure, a collection of ten original minuets for carillon; a Karel Keldermans composition, the sweet Romanza per Madelina, and a spectacular work by John Hammond, Variations in the Third Mode.

Our remaining original compositions include two collections: a theme and variations, Ritornello, and The Setting of a Summer Sun by a new composer for carillon, Roger Goetz in his Two Pieces for Carillon, and John Hammond's, Five Hymns to the Blessed Virgin.

### **Arrangements**

We are including two arrangements by Ron Barnes, Mode Sous-Ionien (Denis Gaultier), originally composed for lute and, Estudio 13 (Fernando Sor), originally a guitar piece; and two arrangements by Jüergen Buchner, Variations on a Theme by Mozart (Mauro Giuliani) and the four-movement Sonata Prima (Franz Maichelbeck).

### **Duets**

We are including six duets: two John Knox arrangements of pieces by J.S. Bach, Andante (Pastorale/590) and an all-time favorite selection for weddings, Sheep May Safely Graze, the energetic arrangement of Chopin's Grande Valse Brillante, by Sue Bergren, two arrangements by Ron Barnes, a very rhythmic Danse (Claude Gervaise), and A. Liadov's collection titled Four Birioulki, Op.2 (playthings). The final duet is Vegar Sandholt's totally fun and crowd-pleasing arrangement of the Homenkoll March (Allan Johansson).

## **American Carillon Music Editions - About Us**

We'd like to take this opportunity to introduce ourselves to you, Mark and Sue Bergren, as the new owners of American Carillon Music Editions (ACME). Sue, the carillonneur, plays regularly in Naperville, IL at the Millennium Carillon, and the Laura Spelman Rockefeller Carillon at the University of Chicago. She passed her GCNA advancement exam at Culver, IN in 2004 after having studied carillon with Karel Keldermans. You may also know Sue as a co-editor for Carillon News, the biannual newsletter for the GCNA. Sue has a master's degree in organ performance from Northern Illinois University, but prefers to free-lance as an organist rather than being on staff at a church. Mark isn't a musician, but is very involved in the carillon world having built Sue's carillon practice instrument, and regularly attends the GCNA congress with Sue every summer. Sue is the new Music Editor for ACME, responsible for acquiring and editing new music scores, while Mark is the Publications Editor, with responsibility for the business side of ACME. 2008 has been a transition year for us as we have been busy learning how to operate the business from Linda and Karel Keldermans, ACME's previous owners.

American Carillon Music Editions was founded in the 1980s by Richard von Grabow as a wholly independent enterprise dedicated to producing quality scores which showcase the contemporary carillon repertoire. Karel and Linda Keldermans assumed responsibility for ACME in 1996 and in the subsequent twelve years published 215 original carillon compositions and 370 arrangements. In addition to these new scores, they have completely revised earlier editions of classic arrangements familiar to both carillonners and listeners alike. This effort has produced thousands of pages of music published specifically for performance on carillon. As the newest editors for ACME, we will strive to continue publishing carillon music of the highest quality, with a balanced offering of original compositions, arrangements and collections.

We thank our composers and customers, and welcome their feedback on how we can serve them better. Please use our on-line catalog and shopping cart.
